Woodland Winter Rotating Shelter

The City of Woodland in partnership with Fourth and Hope and several of the faith communities connected with Woodland Ecumenical and Multi-Faith Ministries (WEMM) are planning a Winter Shelter Program for homeless persons for four weeks in January 2018. The shelter will be offered for all four weeks in the Great Hall at St. Luke's Episcopal Church on the corner of Second and Lincoln. Fourth and Hope staff have asked the city and faith communities to be flexible regarding the target population for the shelter. Initially the plan was to shelter homeless single women, who would otherwise be housed at the overnight shelter at Fourth and Hope. Having the women in this rotating shelter program would free up space at Fourth and Hope for more homeless men. However, it appears the pressing need might be to shelter homeless families (since the shelter at Fourth and Hope currently has some five families…and it looks like they will be homeless for the long term).

Different churches will be responsible for providing volunteers for a particular week.
The current plan suggests the following schedule:

January 7 (Sunday)-January 13—Woodland Presbyterian Church
January 14-January 20—Woodland Christian Church—Us!!!
January 21-January 27—St. Luke's Episcopal Church…and others
January 28-February 3—United Methodist Church…with assistance from Second Baptist Church

St. John's UCC and the LDS church have also expressed interest in making volunteers available.
Some service organizations and at least one group at UC Davis might also provide helpers.
Persons interested in volunteering are invited to sign up on a website called "Sign Up Genius."
We will make more information available as soon as we get the exact details on the sign-up process.
Patty Overfield has volunteered to be our church's coordinator for our week, so if you are willing to volunteer, please let Patty know.

There will be a volunteer training on **Monday, December 11th, 6:30 p.m**. at St. Luke's Episcopal Church. All interested volunteers are strongly urged to attend. The next meeting of the planning team will be Thursday, November 16th, 12 noon at Woodland Presbyterian Church. If you have any questions, please call Pastor Larry at 662-9356.

Youth Group

On Sunday, November 12th Larry Love and helpers will be leading a youth group gathering at the church from 4-6 p.m. All middle school and high school youth are invited to attend. We will play games, eat snacks, check in with one another, sing, and do a short reflection and discussion about God, Jesus and our life in this world. Larry will be leading this youth group once every month on the second Sunday of each month. At our first gathering on October 8th we had nine youth present. Come join us. Melissa Paulucci and Katie Wilmot will be leading a youth group on the fourth Sunday of each month.

Annual Meeting of the Congregation

The annual meeting of the Christian Church of Woodland (Disciples of Christ) is scheduled for Sunday, December 3rd right after worship. We will share the successes of the past year and some dreams for the future. We will also elect new leaders for 2018 and vote on a budget for 2018. All are urged to join us.

WEMM Thanksgiving Service

The annual Woodland Ecumenical and Multi-Faith Ministries Thanksgiving Service will be Sunday afternoon, November 19th, 4 p.m. at the Latter Day Saints Stake Center at the corner of Pioneer and Gum. All are invited to attend as the faith communities of Woodland gather to express our gratitude to God for an abundance of good gifts given by God to us, God's beloved children.

CCNC-N Annual Gathering Planning Committee Meeting

As we noted in our last church newsletter, 0ur church's board of directors approved a request from our regional church to host the 2018 Annual Gathering of the Christian Church of Northern California-Nevada the weekend of April 20-21, 2018. Now it is time to begin planning that meeting. Several committees are being formed to plan for the gathering here in Woodland, including committees dealing with housing, food and worship. If you would be willing to serve on one of these teams or would just like some input on the planning committee, please contact Pastor Larry Love…and plan to attend the first planning meeting on Saturday, December 16th, 10 a.m. right here in Woodland.

It is a wonderful experience seeing people who donate being happy about helping others.

Assistance Sought for Jack and Wanda Freeman

As you may be aware Jack Freeman has come to the point where he and Wanda need a little extra care and help. Wanda would like to develop a list of people who would be willing to help her and Jack in the following ways:

- A list of people who are willing to come by and sit with Jack when she needs to run errands or attend some activity.
- A list of people who would be willing to be called during the night-time hours in case Jack needs someone to help him if he has fallen or cannot get out of or into his wheelchair.
- A list of people who would be willing to come by early in the morning for about an hour (6 or 7 a.m.) and help with Jack's morning routine, which includes helping him get up out of bed, get dressed and into his wheelchair. This does require the ability to do some lifting. Currently a neighbor helps with this, but there will be times when the neighbor might be out of town or ill and unable to assist with this morning routine.

If you could help in any of these ways…or know of someone who could, please call Wanda Freeman at 662-9408 or Larry Love at 662-9356.

Thank You!

I want to thank each one that sent me a memorial card when my daughter Leah passed away. Your thoughtfulness was appreciated very much by me and my family.

Diaper Drive Thank You

October 18

Dear Christian Church Members,

I want to thank you so much for your generous gift of baby diapers and wipes for our Personal Care Pantry. On the first Thursday of every month we give items like detergent, toilet paper, dish soap to low-income persons.

We give away a lot of diapers, so your contribution to our Pantry was very much appreciated.

Flower Group Report

10-22-2017

We smile, we laugh a lot, we serve and we pray.

Oh, what fun we had at our Fall meeting of the Flower Group! We were excited as we had been invited to the Tuman home on First Street. Linda and Doyle have restored one of Woodland's fine old Victorian homes.

As I drove up and parked my car I couldn't help but notice the beautiful colors of the leaves that were gently falling from the trees. The cool breeze was most welcome after our very hot summer days. I walked across the street and found three or four of my lady friends admiring the old Victorian in anticipation of what might be inside.

Linda greeted us at the front door, as Doyle was busy showing their home to a few ladies who had already arrived. Every room in their home was beautifully and tastefully decorated in true Victorian style. The rooms each held a story of bygone days. The art work was spectacular and blended so well with the period furnishings. Linda said they were in hopes of buying a Victorian home when they moved to Woodland. And, oh what a lovey treasure they found at 709 First Street!

After our tour of each room we were soon invited to lunch around a beautiful, very large, oblong table that seated twelve of us. We soon forgot that we were carrying our traditional brown bag sack lunch. Tea and coffee were served in fine china cups. Forget about what might be in our sack lunch, our minds were on having a slice of the delicious apple cake that we had noticed as we passed through the kitchen!

Our meeting was led by Betty and together we repeated our special Flower Group prayer. By now we were convinced that we were about to dine in true Victorian style, even though our "brown bag" lunches were right there in front of us.

During our conversation around the table, we remembered our lady friends who were absent and we also sent several cards to folks that might need a special hug and prayer. A copy of our new meeting schedule was handed out for the coming year 2017-2018. We meet at different places each month with special "out of lunch" dates scheduled throughout the year.

Our next meeting is the first Thursday of November (Nov. 2nd). On this date, we will gather at the Church at 11 AM to decorate the Sanctuary for Thanksgiving. We enjoy doing this each year. We each contribute Fall items to be arranged with the beautiful assortment of pumpkins that Short Parker supplies with. Somehow no matter what, it always turns out beautiful! Thank you to Short for his kindness. This will truly be a sack lunch event with Betty leading the worship.

While we were enjoying lunch, Linda read a beautiful Autumn worship. With her permission I have included the worship that she adapted titled – "Autumn." Enjoy the read! While enjoying a piece of delicious apple cake, we began to each name our favorite flower. From each lady we heard different stories about their favorite flower and the story about why the flower was their favorite. Each flower named was different, as was each story. It was a fun time. We heard some great tales, all carrying sweet memories.

Thank you to Linda for hosting our October meeting – we had a wonderful time. Until we meet in November – enjoy God's change of season to the fullest.

– Blessings from Betty Bigelow

* and of course, if you would like to join our Flower Group – please call me at 662-6277 and I will get our yearly program to you.

Autumn Reflections

1) Radiate Beauty

Autumn brings an abundance of fall colors and textures: the reds, golds, oranges, yellows and rust tones. Autumn delights the senses in rich sunsets, landscapes inspiring all – take time to radiate your own beauty and creativity to the world.

2) Connect with Your Shadows

After the long bright sunlit days of summer, autumn brings earlier sunsets and longer shadows. It's an ideal time for introspection

3) Let Go

Trees willingly and naturally shed their leaves after putting on a radiant show of colors. Is there anything in your life that is ready to be released? Enjoy the brilliance of all that has ripened and come to fruition, but be willing to let go; it will pave the way for new beginnings.

4) Save for Lean Times

Even as birds and woodland creatures are enjoying the abundance of fall, they are also storing away portions of their autumn harvest and preparing for leaner times. Enjoy the blessings of the season, but remember to plan for the future.

5) Find Balance

In a world of duality, balance is the key. The autumn equinox signals equal amount of night and day, serving as a reminder to find balance in our own lives.

Autumn is a study in contrasts and the result is a rich multi-sensory experience. Apply these 5 lessons from autumn in your own life and drink in the bounty of this inspiring time of year.

Think Scrip

You can support the general fund of our Church with every purchase you make!! Simply make that purchase with **Scrip**.

Scrip are gift cards you buy, then use to make purchases. I have the cards at Fellowship every Sunday. Or give me a call, text or email to purchase at any other time.

An even easier and instant way to use **Scrip** is by purchasing "*ScriptNow*" online. I'll be happy to show you how to do this also. - Just Ask Me –

Here is a partial list of participating merchants:

Target, Walmart, JCP, Macys, Lowes, Home Depot, Barnes & Noble, Best Buy, Cinemark, Regal, Arco, Shell, Rite-Aid, CVS, Walgreens, Amazon, Applebees, Red Robin, Subway, Chevys, Starbucks, Dennys, Jack-in-the-Box, REI, Bed N Body, Old Navy, etc, etc, etc.

If you shop or dine at any of these businesses without scrip our Church is losing money! And remember – It doesn't cost you any extra.

If you shop at Nugget. I will give you a card for their program also.

Do you give gift cards for gifts? Don't buy them at the stores. Get them from me and support our Church.

Looking forward to seeing you at the scrip table.

From the very beginnings of the movement, Disciples have founded institutions of higher learning, encouraging students in their intellectual pursuits. The Christian Church (Disciples of Christ) is still committed to higher education. Currently, over 50,000 students attend our fourteen Disciples related colleges and universities or seven seminaries and divinity houses. And in the past twelve months, over 12,000 students have graduated from these fine schools.

On November 12 and 19, Disciples churches across the US and Canada will collect the Thanksgiving offering. Your gift to the Thanksgiving offering helps to support the work of our institutions of higher learning in many ways: financially supporting Disciples related schools, providing undergraduate scholarships and support for spiritual life offices, and providing scholarships and support for those pursuing theological education.

This November, please give generously to this year's Thanksgiving offering. Your gifts make a world of difference as Disciples continue our legacy of supporting education and our institutions of higher learning.

Round About Us

Our church was one of the community groups that participated as a sponsor for the Empty Bowls fundraiser for Fourth and Hope. Through our outreach giving we made a donation of $1,000 to Fourth and Hope's ministry of feeding and housing those who are at the margins of our community. Among our church folk enjoying the soup were: **Larry Love** (both lunch and dinner sittings), **Greg Hayakawa, Nancy Love,** and **Sue Tarleton.**

Special thanks to **Sharon Armus** for organizing the workday on Saturday, October 21st. Some 25 to 30 people, including a whole bunch of children and youth, gathered to clean and make repairs. The education building was the major focus…and it really looks very good. Five or six pick-up trucks of junk were taken to the dump or recycling. Thank you to all who helped make it happen…and a very special thanks to all of those who provided the delicious lunch for the workers.

On Sunday, October 22, we brought into our sanctuary a whole slew of dogs and cats upon whom we pronounced God's blessing because they are such a blessing to us. It made for a sanctuary a little livelier than we are used to, but we are thankful for all creatures of our God and king.

Special thanks to our Stewardship and Finance chair, **Lon Springer**, for organizing the great lunch after church as we reflected on the past year of our church life and began looking forward to the coming year. Special thanks to **Jeanelyse Doran Adam, Cathie Wicks, Pastor Larry,** and **Lon** for presentations and for leading sharing that was truly inspiring, encouraging and hope-filled.

Deanna Hinkle continues to be in Cottonwood Rehab and is scheduled for hip surgery on October 31st. Keep her in your prayers.

Katy Wilmot hosted a Supper Eight group at her home on Sunday, October 22nd. Enjoying the dinner and conversation were: **Ron Scott, Cheryl Bentz, Diana Fallbeck and A.J., Chris Mancilla, Beja Springer and Evie, Larry and Nancy Love,** and Katy and **Abby. Jeanelyse Doran** hosted her Supper Eight group recently. **Dale and Esther Stiles** hosted the third group on Sunday, October 29th.

Special thanks to **John Chase** who used his woodworking skills to make a wooden tray to be used for serving communion to those who sit in the balcony. Thank you, John.

Among recent worship visitors were **Irene Crawford** (grandmother of **Iana and Michael Crawford** and co-grandmother of these two children with **Eleanor Garnett), Ray and Elizabeth Dewey** (visiting with **Gloria Dewey**), **Joey Pacini,** a young man named **Caesar, Betty Cadwallader**, **Marisol Ganbay, Tanya** (a friend of **Jayson Martinez**) and **Galen Roberts** a neighbor of **Jack and Wanda Freeman**).

It was good to see **Angie Martinez** back in worship after her knee replacement surgery. She expressed how grateful she was for the meals church members prepared for her and her family during her time of convalescence.

Barry Matz recently traveled to the Longview, Washington area to visit family and friends. **Katelyn Reimer** is in the midst of schooling to earn a certificate in health management. She works for Sutter Health.

If you have items for Round About Us, please submit them to Pastor Larry Love by calling 662-9356.
